

IBM Analytics University 2017

Fast track your insights

Berlin: October 10-13 | New Orleans: October 17-19

Brought to you by
LearnQuest

5 reasons to attend

1

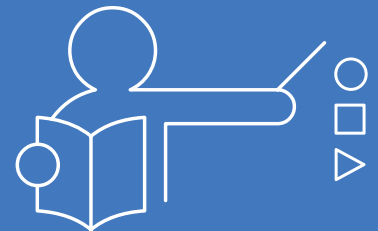

Build confidence and skill

Learn about the latest technologies, trends, tips and techniques—direct from IBM. Join in a variety of electives and upgrade your skills in whatever area you choose.

2

Get hands-on

With over 75 different sessions, workshops, and labs, there will be a wide opportunity to learn about IBM Analytics technologies.

3

Interact with live demos

Test the latest technology in a lab setting, see cutting-edge demos, and talk to the people who helped build these solutions.

4

Network, network, network!

Exchange ideas with colleagues and peers, thought leaders, technology gurus, executives and experts from IBM to explore how you can get even more return on your existing IBM investments.

5

Show off in the “Dashboard Dash”

The on-site “Dashboard Dash” is a contest that will give you a chance to develop new use cases for IBM Analytics capabilities. Think there’s a great idea that just hasn’t gotten traction yet? Come show us.
