

Ascarii to Resell NewIntelligence's QuickStart for SAP Business One Following Strategic Partnership

Montreal, Quebec, Canada – March 15, 2024 – NewIntelligence (NI), a renowned IBM Business Partner, and Ascarii, a leading UK SAP Business One Cloud Partner, are thrilled to announce a strategic partnership. This collaboration offers NI QuickStart for Reporting and Dashboarding for SAP Business One, including software and services, to clients worldwide.

"This partnership strengthens our ability to broaden our reach to new markets in EMEA for our core product and service offerings, allowing us to further expand our solution to future SAP Business One clientele," explained Corey Mendelsohn. "In collaboration with Ascarii, we feel confident that we have chosen the right partner to grow our presence within the UK."

NI QuickStart for Reporting and Dashboarding for SAP Business One simplifies report development and customization of business rules, leveraging a separate reporting database. This approach streamlines analytics for business users and is built on best practices covering approximately thirty essential subject areas within SAP Business One. Integrated with IBM Cognos, this solution offers immediate, easy-to-distribute results, catering to the evolving needs of small and medium-sized businesses within the SAP Business One market.

Stuart Wilson, Founder & CEO of Ascarii, commented, "The joint collaboration will allow Ascarii to leverage our collective know-how and seamlessly integrate NI QuickStart for Reporting and Dashboarding for SAP Business One. We look forward to working with the NewIntelligence team and delivering this solution to our current and future clientele in the United Kingdom. We see a lot of value in moving forward."

This strategic partnership symbolizes a commitment from both NewIntelligence and Ascarii to provide cutting-edge solutions that address the complex needs of their clientele, promising a future of growth, innovation, and enhanced service delivery.
